

REVISION? GO WITH THE *FLOW*

READY TO START REVISING?

YES

Well done!
You're ahead of
the game!

NO

Would a
revision plan help?

Get your free STABILO
revision plan template at
blog.stabilo.co.uk/revision

**START
AGAIN**

YES

Get a question wrong
and put it on a flashcard
to test yourself later.
It really helps!

NO

Do you have
your flashcards ready?

**START
AGAIN**

YES

Rather than wrestle with
your willpower everyday.
Set aside an hour every
morning or evening -
whatever suits you.

**START
AGAIN**

Have you decided on regular
weekly times for
your revision?

NO

Work hard, play harder.
Once you've done your revision
for the day. Reward yourself
with something fun to do
guilt-free.

NO

YES

Have you devised a
personal reward scheme?

**START
AGAIN**

Ask Mum and Dad to
keep the siblings quiet
when you're studying.

YES

NO

Procrastination is the
enemy of A grades. Get
started now and you won't
have to pull all-nighters in
the final week.

Do you have a quiet
study environment
at home?

NO

Are you just planning
to blag it on the day
without revision?

YES

Now just stick to your schedule.
If you do, all that's left to say is
good luck - not that
you'll need it!

YES

Good luck -
you'll need it!
